From

Rai Bahadur S. K. Banerjee,
Assistant Secretary to the Government of India.

To

The Hon'ble the Resident in Mysore and
Chief Commissioner, Coorg.

Subject:- Revision of the fees prescribed in the Indian Explosives Rules.

Sir,

I am directed to say that the Government of India have had under consideration the question of revising the fees prescribed for different kinds of licences, etc., in the Indian Explosives Rules. The existing scale of fees under Schedule II of the Indian Explosives Rules is much lower than the corresponding rates in Great Britain and is also below the level justified by present day economic conditions in India. After consultation with the Chief Inspector of Explosives in India, the Government of India propose to increase the present scales of fees in the manner shown in the statement appended to this letter, but before publishing these proposals in the form of draft amendments to the Rules as required by Section 18(1) of the Indian Explosives Act, 1884, they would be glad to have your views on the suitability of the fees proposed.

2. I am to request that a reply to this letter may kindly

kindly be sent so as to reach the Government of India not later than the 1st October 1929.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Secretary to the Government of India.

D.A. nil. to.

CBK.PA/G.

Statement showing the existing and the proposed scales of fees for licenses etc. under the Indian Explosives Rules 1914.

No.	Form of license or rule.	Purpose for which granted.	Existing scale of fees.	Proposed scale of fees.

File No. 270

To

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

Subject:- Licences for the possession of carbide of calcium for Railway use.

The M & S.M. Railway company are, at present, granted licences to possess carbide of calcium for use - to generate gas for lights during accidents at night time only - at the Bangalore City and Arsikere railway stations.

2. The Government of India have intimated that, by virtue of the powers conferred on railway administrations under section 7 (1)(f) of the Indian Railways Act, 1890, it is not necessary for a railway company to take out a license for the possession of explosives if, as a matter of fact, such possession is necessary for making, maintaining the railway etc. (vide your endorsement No. 9582/575-1900 dated 25-11-25).

3. On this authority the District Magistrate, Chingleput, addressed the Government of Madras, for exemption for the railway company from taking out licences for possession of Kerosine oil and of carbide of calcium under the Petroleum rules and this was granted under G.O. No. 669 Misc. dated 2nd March 1926.

4. The District Transport Superintendent (Loco) Bangalore City invites attention to this concession granted in Madras and requests that a similar concession may be shown under the Station rules.

I recommend that the concession asked for may be granted and request that suitable amendments may be issued to the Hon'ble the Resident's notification No. 41 dated 8th July 1907 regulating the possession and transport of carbide of calcium.

Asstt. Secretary to the Govt. of India.

D.A.-Read to.

33/a

DEPARTMENT OF INDUSTRIES AND LABOUR.

NOTIFICATION.

New Delhi, the 6th February 1930.

No. M.-1217.—The following draft of a further amendment to the Indian Explosives Rules, 1914, which it is proposed to make in exercise of the powers conferred by clause (*c*) of sub-section (*2*) of section 5 of the Indian Explosives Act, 1884, (IV of 1884) is published as required by section 18 of the said Act, for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration on or after the 8th May 1930. Any objection or suggestion which may be received in respect of the said draft before the date specified will be considered by the Governor General in Council

Draft Amendment.

After Chapter V of the said Rules the following Chapter shall be inserted, namely—

"CHAPTER V-A.

FACTORIES.

Procedure in applying for a license under Article 10 of Schedule II.

37-A. (1) An applicant for a license under Article 10 of Schedule II to manufacture any explosive in any quantity shall submit to the District Authority an application in writing, which shall be accompanied by—

(*a*) a site plan, drawn to scale, of the proposed factory and its surroundings showing—

(i) the distances between buildings forming part of the factory, and

(ii) the distances between the factory or any part thereof and other buildings and works;

(*b*) construction plans of each building in the factory with particulars of construction.

(2) The application shall also specify—

(*a*) the nature of the process or processes to be carried on in the factory and in each part thereof;

(*b*) the maximum quantity of explosive to be manufactured during the period for which the license is granted;

(*c*) the maximum quantity of explosive to be possessed at any one time in the factory as a whole; this amount shall include wholly as well as partly mixed ingredients;

(*d*) the maximum number of persons to be employed in each building in the factory;

(*e*) the manner in which it is proposed to store the ingredients.

Issue of notices, inquiry into objections, etc.

37-B. On receipt of an application under rule 37-A the District Authority shall follow the procedure prescribed by rules 39 to 42 so far as it is applicable.

Report on completion of inquiry.

37-C. On completion of the inquiry prescribed by rule 42 the District Authority shall forward the application and the plans to the Chief Inspector of Explosives together with a report stating whether he—

(*a*) disapproves of the proposed site for the factory;

(*b*) approves of the proposed site either unconditionally or subject to any such restrictions or precautions as he considers necessary;

(*c*) has any objection to the manufacture of the explosive in question in his District.

Procedure to be observed by the Chief Inspector of Explosives on receipt of the report.

37-D. The Chief Inspector of Explosives shall scrutinise the plans and forward to the applicant a statement showing the distances which should, in his opinion, be kept clear between the factory or any part thereof and other buildings and works. On receipt of the statement the applicant shall enter therein against each item the exact distance which can actually be so kept clear, shall sign the statement and shall return it together with any representations which he may desire to make to the Chief Inspector of Explosives.

Submission of the application to the licensing authority through the Local Government.

37-E. After considering any representation made by the applicant when returning the statement, the Chief Inspector of Explosives shall submit the application to the Local Government with his recommendation. If he recommends the grant of a license, he shall submit a draft license containing the conditions which he considers suitable. The Local Government shall forward the application and draft license to the Governor General in Council with its recommendation thereon.

Grant of license.

37-F. The Governor General in Council may grant a license either in the form of the draft forwarded under rule 37-E or with such modifications or restrictions as he may consider suitable, or may reject the application.

Procedure on grant of license.

37-G. A copy of each license granted shall be forwarded to the Chief Inspector of Explosives and the license itself shall be forwarded to the Local Government, who shall forward it to the District Authority.

Endorsement of license.

37-H. The District Authority when satisfied that the applicant has complied with all the conditions prescribed in the license, shall forthwith endorse the license, and unless and until so endorsed the license shall not come into force.

If it is decided not to endorse the license the District Authority shall forthwith inform the Chief Inspector of Explosives and the Local Government, and the Local Government shall intimate the fact to the Governor General in Council."

To

The Secretary to the Resident
in Mysore, Bangalore.

Sir,

Explosives - Bangalore Explosive Rules, 1915 - Proposal to make certain amendments in - Your No.1888/272 of 28 dated 28th February 1930

---:0:---

I enclose herewith for the consideration of the Hon'ble the Resident a draft of the amendments to the Bangalore Explosives Rules, 1915, proposed by the Commissioner of Police.

I have the honour to be,
Sir,
Your most obedient servant,

11.4.30

DISTRICT MAGISTRATE.

DESPATCHED
11 APR 1930

135/~

THE HON'BLE THE RESIDENT IN MYSORE, BANGALORE.

No. Dated .....

NOTIFICATION.

The following draft of a further amendment to the Bangalore Explosives Rules, 1915, which it is proposed to make in exercise of the powers conferred by section 5 of the Indian Explosives Act, 1884 (IV of 1884), as applied to the Civil and Military Station of Bangalore, is published as required by Section 18 of the said Act, for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration on or after the 29th May 1930. Any objection or suggestion which may be received in respect of the said draft will be considered by the Resident in Mysore.

DRAFT AMENDMENT.

After Chapter 4 of the said Rules the following Chapter shall be inserted, namely -

"CHAPTER IV-A.

FACTORIES.

Procedure in applying for a license under article 6 of Schedule I.

21-A. (1) An applicant for a licence under Article 6 of Schedule I. to manufacture any explosive in any quantity shall submit to the District Authority an application in writing, which shall be accompanied by:-

(a) a site plan, drawn to scale, of the proposed factory and its surroundings showing:-

(i) the distances between the buildings forming part of the factory, and

(ii) the distances between the factory or any part thereof and other buildings and works;

(b) construction plans of each building in the factory with particulars of construction.

(2) The application shall also specify:-

(a) the nature of the process or processes to be carried on in the factory and in each part thereof;

(b) the maximum quantity of explosives to be manufactured during the period for which the license is granted;

(c) the maximum quantity of explosive to be possessed at any one time in the factory as a whole; this amount shall include wholly as well as partly mixed ingredients;

(d) the maximum number of persons to be employed in each building in the factory;

(e) the manner in which it is proposed to store the ingredients.

Issue of notices, inquiry into objections, etc.

21-B. On receipt of an application under 21-A the District Authority shall follow the procedure prescribed by rules 23 to 26 so far as it is applicable.

Report on completion of inquiry.

21-C. On completion of the inquiry prescribed by rule 26 the District authority shall forward the application and the plans to the Chief Inspector of Explosives together with a report stating whether he:-

(a) disapproves of the proposed site for the factory;

(b) approves of the proposed site either unconditionally or subject to any such restrictions or precautions as he considers necessary;

(c) has any objection to the manufacture of the explosive in question in his District.

Procedure to be observed by the Chief Inspector of Explosives on receipt of the report.

21-D. The Chief Inspector of Explosives shall scrutinise the plans and forward to the applicant a statement showing the distances which should, in his opinion, be kept clear between the factory or any part thereof and other buildings and works. On receipt of the statement the applicant shall enter therein against each item the exact distance which can actually be so kept clear, shall sign the statement and shall return it together with any representation which he may desire to make to the Chief Inspector of Explosives.

Submission of the application to the licensing authority through the Local Government.

21-E. After considering any representation made by the applicant when returning the statement, the Chief Inspector of Explosives shall submit the application to the Local Government with his recommendation. If he recommends

the grant of a license, he shall submit a draft license containing the conditions which he considers suitable. The Local Government shall forward the application and draft license to the Governor General in Council with its recommendation thereon.

Grant of license.

21-F. The Governor General in Council may grant a license either in the form of the draft forwarded under rule 21-E or with such modifications or restrictions as he may consider suitable, or may reject the application.

Procedure on grant of license.

21-G. A copy of each license granted shall be forwarded to the Chief Inspector of Explosives and the license itself shall be forwarded to the Local Government, who shall forward it to the District Authority.

Endorsement of licence.

21-H. The District Authority when satisfied that the applicant has complied with all the conditions prescribed in the license, shall forthwith endorse the licence, and unless and until so endorsed the license shall not come into force.

If it is decided not to endorse the license the District Authority shall forthwith inform the Chief Inspector of Explosives and the Local Government, and the Local Government shall intimate the fact to the Governor General in Council."

Secy. to the Resident.

To

The Hon'ble the Resident
in Mysore

Subject:- Proposed amendment to the Indian Explosive Rules, 1914, so as to prescribe revised scales of fees for different kinds of licenses granted under the Explosive Rules.

Sir,

With reference to the correspondence resting with your letter No. 8239-Enc./272/1929 dated the 27th September 1929 on the above subject, I am directed to enclose a copy of a notification in this Department No.M1004, dated the 9th July 1931, publishing for criticism the amendments which it has been decided to make in the Indian Explosives Rules, 1914, and to request that the notification may be republished in the local official gazette in English and in such other language or languages as you may consider necessary, and that if any objections or criticisms are received they may be forwarded to the Government of India together

with

with an expression of your opinion as to the suitability of the proposed amendments. If no reply is received by the 15th November 1931 it will be assumed that you have no criticisms to forward to the Government of India.

I have the honour to be,

Your most obedient servant,

Assistant Secretary to the Government of India.

D.O. Ref. to.
SNH.7.7.

GOVERNMENT OF INDIA.

Department of Industries and Labour.

Dated Simla, the 9th July 1931.

NOTIFICATION.

No. M1004.- The following draft of certain further amendments in the Indian Explosives Rules, 1914, which it is proposed to make in exercise of the powers conferred by section 5 of the Indian Explosives Act, 1884 (IV of 1884), is published as required by section 18 of the said Act for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration on or after the 12th October 1931. Any objection or suggestion which may be received in respect of the said draft before the date specified will be considered by the Governor General in Council.

Draft amendments.

1. In rule 51 of the said Rules for sub-rule (3) the following sub-rule shall be substituted, namely:-

"(3) The following fees shall be charged for the amendment of a licence -

(a) In cases where the amendment relates to an increase in the quantity of explosives permitted by the original licence to be imported, manufactured, possessed or sold -

(i) If the original licence is in Form A. B. C. or D.	A fee equal to the difference between the fee paid for the original licence and the fee which would have been payable had the original licence been granted for the increased quantity of explosives covered by the amended licence.

(ii)

(ii) If the original licence is in Form E or EE -		
When granted to cultivators ..	..	Nil.
When granted to contractors or other persons	..	Re.1/-
(iii) If the origihal Licende is in any other Form ..	..	Rs.5/-
(b) In all other cases	..	Nil."

2. In rule 60 of the said Rules for sub-rule (3) the following sub-rule shall be substituted, namely:-

"(3) The fee chargeable on such new licence shall be five rupees or half the fee charged for the original licence, whichever is less
